

## Fundraising Letter

Dear Friends and Family,

As you may know, football is a big part of my life and my goal is to be the best player I can be and possibly play college football after high school. Earning an athletic scholarship will give me a chance to earn a college degree and further my goals in life. College football is extremely competitive and players from all over the country have the same goals and aspirations as I do. I am committed and determined to make my goal a reality, and have found a way to help increase my chances.

Recently, I joined a travel 7v7 football organization named Michigan Elite Football Club to help develop my football and leadership skills. The Michigan Elite Football Club is regarded as the best off season training and 7v7 program in our state and has assisted dozens of players achieve athletic and academic success.

Although this is a great opportunity, the journey can be expensive. I'm responsible for my tuition, my own travel, meals, lodging, and tournament fees. I would greatly appreciate it if you could help in any way with these expenses. I know these are tough times for many people, but any amount will help.

I'm extremely excited about the opportunity to represent Michigan, my high school, and my family, as well as the chance to compete against some of the top Division 1 prospects in the country.

Media outlets from across the country will be covering our team's activities. This may allow me to gain exposure, display my abilities, and possibly be recognized by schools across the country.

Thank you for your consideration and helping me achieve my goals! To learn more about our team please visit our website at: [www.michiganelitefootballclub.com](http://www.michiganelitefootballclub.com).

Donations can be sent directly to the Club on my behalf.
